### **Pumpkin Body:**

With orange, make 2 (for fridgie, make 1):

Ch 4, dc in 4th ch from hook 11 times. Join with sl st in top of ch 3. Leave a tail about 8" long for stitching later.

### **Jack-o-lantern face:**

### **Joining the the halves:**

Using tail, and a yarn needle, join two circles by whipstitching through both sc. Leave an opening at the bottom large enough to put your finger or a pencil inside the pumpkin. Finish off.

### **Stem:**

With pumpkin facing you, sl st in sc one st to the right of center. Sc in next st, sl st in next. Turn. (Do not ch 1) Sl st in next two st. Ch 5, sl st in 2nd ch from hook. Sl st in next 3 ch, sl st again in base sc. Finish off.

*If making a magnet or fridgie, only make one circle before adding the stem and then glue a magnet to the back.*
